

Workday Sessions at HEUG Alliance 2021

Higher education and the public sector have changed a lot this year. How can you deliver a personalized student experience and equip your organization for success in a changing world?

Find out at HEUG Alliance 2021! We're excited to share how our enterprise cloud applications can help you gain the insight and agility needed to make smarter, faster decisions. Join us for a variety of sessions, including product demos, customer perspectives, and discussions on industry trends and best practices. Check out the agenda below to see what's ahead. Don't forget to add the sessions that interest you to your HEUG Alliance session scheduler.
